

Antler is a large scale candelabra that is a sculptural feature in a space. The design can be used as seen with candles on the branches or with a table top in the middle square or we can convert it to be a light fitting as floor or pendant.

Antler

FEATURE | CANDELABRA

DIMENSIONS

Large: 1500mm by 1500mm by 1500mm h
Small: 1100mm by 1100mm by 1500mm h

MATERIALS & MANUFACTURING

Powdercoat metal

FINISH
